

COVID-19

# GUIDELINES

- If the student or instructor is sick or running a fever, the lesson will be cancelled.
- Instructors will be required to have a temperature check daily.
- All students/parents must have a scheduled lesson/appointment to enter the Center.
- No one will be allowed to wait inside the Center during the student's lesson. Parents/Caregivers will be asked to wait outside or in the car.
- The Instructor will meet the student outside the back door to escort the student to the classroom. When the lesson is finished, the instructor will escort the student back to the parent's/caregiver's car.
- All parents, students, and instructors are required to wear a face mask covering their mouth and nose when a social distance of at least six feet cannot be maintained.
- Both instructor and student will wash their hands prior to the lesson and after the lesson.
- Each student will have his/her own bag of personal supplies and Take Flight materials.
- The instructor and student will be spaced 6' apart during the lesson and/or separated by a protective acrylic tabletop barrier. If there is a time during the lesson the distance between the student and instructor is closer than 6 feet, both of them will be required to wear a face mask.
- All lesson areas (chairs and tables) will be disinfected before and after each student use.
- The Center will be cleaned and high touch points sanitized daily.

## KEEP YOURSELF AND OTHERS HEALTHY
